Divisions:

We are currently gauging interest in which divisions to host this year. Based on interest and time available we are opening entries to:

- Divison 1
- Division 2
- Division 3
- Under 16's
- Under 14's
- Ladies

The capacity of each division will be set at the discretion of the organizing committee, based on interest in each division and the time available.

Places in the competition will be given to teams based on the order in which payment of entry is received.

The organizing committee may also promote and demote teams across divisions at their discretion.

Food / Shops:

The Richmond Inn serves food in the lounge and will hopefully also run a BBQ weather permitting. We are looking into opening a small shop in the coffee shop serving a limited selection of confectionery, hot and cold drinks and fresh sandwiches.

Entertainment:

Entertainment plans have yet to be finalized. Keep an eye here for more details.

Accommodation:

Camping is available free of charge at the venue from Friday. Showers and toilets are also available on site.
