HOW TO REGISTER FOR THE TOUR DE GUDENÅ MARATHON

REGISTRATION FEE

Senior/Junior: DKK 500 per participant.

U16 and U14: DKK 300 per participant.

REGISTRATION

The deadline for registration is Sunday, 31 August 2014.

Registration after this date is subject to a late registration fee of DKK 150.

Register at: www.tourdegudenaa.dk

TRANSPORT

We would like to know whether the participants are interested in having their luggage transported to Randers and themselves and their boat back to Silkeborg. When registering for the race, the participants can therefore tick this option. If there is enough interest, we will provide the service. For the same reason, we have not yet been able to fix the price, but we will get back to those interested with a price proposal.

REFRESHMENTS

At the pit stops in Tange and Langå, refreshments are available to the participants, e.g. beverages, fruit and sandwiches.

At the refreshment stations and in the finishing area, it will also be possible to buy sandwiches, sausages, water, beer, coffee, etc.

ACCOMMODATION

At the race website, links will be regularly uploaded with accommodation offers – campsites, youth hostels and hotels.

Watch the website: www.tourdegudenaa.dk

FURTHER INFORMATION

The participants will receive further information about instructions, boat numbers and other practical matters as soon as possible after 31 August.

● New event in 2014! One-day race from Silkeborg to Randers

In 1968, the Danish Canoe and Kayak Federation launched the Tour de Gudenå as a two-day event from Skanderborg to Randers divided into five stages. The race has been a huge success, attracting around 1,000 participants in the most successful years. Recent years have, however, seen a drop in the number of participants – with some 400 participants signing up for the event in 2013.

We are therefore very pleased to present the new Tour de Gudenå marathon in 2014 – a one-day, 73-kilometer race for all classes. The race is kicked off in Silkeborg on the lake in the heart of the city and the finish line is Randers Bridge in Randers. The race offers two 'pit stops' – at Tange and Langå – where the participants can take a break and refuel their bodies with refreshments. The race thus has no stages, but is one stretch from Silkeborg to Randers.

There will, instead, be a mass start for all classes in Silkeborg – a SPECTACULAR experience for both participants and spectators.

TOUR DE GUDENÅ MARATHON 2014

73 km a challenge for all kayakers

Whether an elite, sub-elite or sea kayaker or a newcomer to kayaking, the distance is sure to challenge you. But thanks to the river's good downstream current, the company of all the other participants and the calm water, it is possible for everyone to make it to the finishing line. We encourage all clubs to organise Tour de Gudenå training, so that the clubs can sign up for the race with large teams in good form. However, if the distance proves to be too long, this year's event is also open to teams of two people. One team member will be rowing 36 km to Tange and the other 37 km from Tange to Randers.

Tour de Gudenå Marathon – also for the kayaking elite. World Series

The new 73-kilometre race offers attractive cash prizes for the three best-placed kayakers in the Men's K-1 and Women's K-1 class. This year, the Tour de Gudenå Marathon is also part of the ICF's 'Classic Canoe Marathon World Series'.
