As President of the Brandenburg Canoeing Association, I would like to invite all participants, team staff, officials and hopefully the numerous guests and spectators to attend the 2019<sup>th</sup> International Brandenburg Cup for Youth and Juniors from 24<sup>th</sup> to 26<sup>th</sup> of May 2019 in Brandenburg an der Havel.

For almost 50 years the traditional regatta course on Lake Beetzsee has been the venue for many national and international canoeing events.

The unique natural location on the lake Beetzsee, the high level of technical equipment, the generous and multifunctional buildings as well as the many dedicated organizers and volunteers of the regatta team have contributed to the fact that the regatta course is one of the top addresses for the organisation of international competitions. The cosmopolitan and hospitable city of Brandenburg will again prove to be an excellent host this year.

The new format of an international Brandenburg Cup for youth and juniors is intended to give young athletes in particular the opportunity to compete in international comparison.

We would like to thank the Ministry of Education, Youth and Sport of the Federal State of Brandenburg, the City of Brandenburg, the German Canoe Federation, numerous sponsors and volunteers who support the preparation and implementation of the International Brandenburg Cup.

We can look forward to exciting competitions in the youth and junior level.
