### 3. Covid-19 PROTOCOL

In accordance with the ICF Official Covid-19 protocol ( <https://www.canoeicf.com/sites/default/files/2021-icf-competitions-covidprotocol-principles-and-summary.pdf> ) the OC has made up an event protocol which must be followed by all teams and team staff for the European Championships - ECA 2021 CATANIA.

During all of the championships athletes and staff will need to use protective face masks. Should they be needed the OC will provide them. There will be disinfectant gel throughout the venue.

Entering the venue there will also be a specific zone to monitor body temperature. There will be free covid-19 rapid test available on site and NAAT testing zones on site.

The layout of the venue is made up to facilitate social distancing, all teams and staff are to maintain the 1.5 m distance from other people on site. Once entered the athletes area you will be kindly asked to wear a protective facemask, once in the water you will be able to remove it.

At the accreditation procedures upon arrivals ALL TEAMS AND STAFF will need to give a copy of your European Green Pass or proof of a negative covid19 test carried out 48h before the arrival. Should this documentation not satisfy our Covid-19 prevention team you might be asked to have a test on site.

For any other information regarding Covid-19 prevention procedures and protocols don't hesitate to contact us.
