RE: ECA Junior & Under 23 Canoe Sprint
European Championships POZNAŃ 2021

Dear Mr. Tadeusz WRÓBLEWSKI,

You have been informed for sure about cancellation of the 2021 ECA Canoe Sprint Senior and Paracanoe European Championships which was scheduled for June 2 to 6, 2021 in Duisburg (Germany) due to the current and expected development of the Corona Pandemic.

However difficult life may seem, the Belarus Canoe Association deeply believes the Host Organising Committee together with the Polish Canoe Federation are capable for doing the utmost of its power to deliver and run the spectacular races of the ECA Junior & Under 23 Canoe Sprint European Championships POZNAŃ 2021 dated June 24 to 27, 2021.

We fully support all the Host Organising Committee activities heading to development of the effective entry rules, epidemiological protocols, technical and health standards of the ECA Canoe Sprint event in accordance with the recommendations of the WHO and local authorities, which will be implemented during the competition.

Looking forward very much to meeting up at the Canoe Sprint competitions in 2021.

Yours sincerely,

Belarus Canoe Association
Vice-President: Dzmitry DAUHALIONAK
